

Frames are designed with added weight to withstand wind and stay in place.

▶ TAKE NOTICE

This collection features both dining and café height seating. Our café chairs pair with café height tables. Want to use these café chairs with a dining height table? Add a Lift Kit (KIT175) to raise the 37XX series dining base on all Natural Series and Latitude tables an additional 1.75", increasing the table height from dining to café in minutes!

MAGNETA SLING

SLING + PADDED SLING | ALUMINUM

We've complemented our Magneta cushion collection with these sleek, modern sling options. Magneta, one of our "Designed with Weight" collections, takes inspiration from the dynamic Streamline Moderne school of design, which originally emerged as an international evolution of French Art Deco. This makes our Magneta sling collection not just contemporary, but also cosmopolitan. And of course, our double layer sling pairs wonderfully with the visual appeal by providing a luxury seating experience.
