

Cushions are secured to withstand wind and ensure long-lasting performance.

URBAN

CUSHION | ALUMINUM

Available in: C Cushion

Featuring a modular design and clean, soft lines, Homecrest's Urban collection has a contemporary appeal that is equally suited for backyards, apartment amenity decks, and everything in between. This collection is crafted with powder-coated aluminum and High Resilient, furniture-grade foam cushions. The built-in side tables are available in an HDPE woodgrain pattern or an all-aluminum panel.
