

WILLOW COLLECTION

COMMERCIAL GRADE | CUSHION | HDPE

HOMECRESTTM
OUTDOOR LIVING

Made in the USA • www.homecrest.com

Designed to endure the demands of outdoor living, Willow boasts sleek lines, durable HDPE construction, and exceptionally comfortable High Resilient, furniture-grade foam cushions. Versatile and customizable, Willow offers a range of modular pieces that allow for unlimited configurations, making it the perfect choice for any outdoor space.

- **Durable:** Made from 100% HDPE, Willow is designed to withstand use in high-traffic areas.
- **Comfortable:** The all-weather cushions offer unparalleled comfort and contemporary style.
- **Sturdy:** This solid collection features a weighted construction to ensure stability.
- **Low Maintenance:** Willow is built to resist the elements for years of stress-free enjoyment.
- **Sustainable:** The eco-friendly HDPE frame is made with recycled materials.
- **Secure:** Homecrest's aftermarket brackets allow pieces to be attached to the ground.
