

BRIDGER COLLECTION

ALL-WEATHER POLY | ALUMINUM

HOMECREST™
OUTDOOR LIVING

Made in the USA • www.homecrest.com

Elevate your outdoor dining experience with the Bridger collection. Constructed with a powder-coated aluminum frame and durable all-weather poly (HDPE) top and seats, Bridger visually resembles natural wood but eliminates the upkeep and maintenance that comes with it. Transform your outdoor space with this sturdy picnic table that combines robust design and practical elegance.

PRODUCT FEATURE: This collection is manufactured using all-weather poly (HDPE) lumber and features color consistency throughout the cross section. HDPE is a long-lasting, low-maintenance, environmentally friendly polymer material with a textured surface that doesn't rot or splinter, doesn't require paint or stain, and is resistant to termites, fungus, salt, and oils.
